

☺ Everyday gets better at brecknock primary school! ☺

I rise awake feeling cool,
totally ready to go to
wonderful School.

I enter the exciting learning place,
with a humongous
grin upon my face.

In my class we have helpful
teachers and T.A's
who we work with everyday.

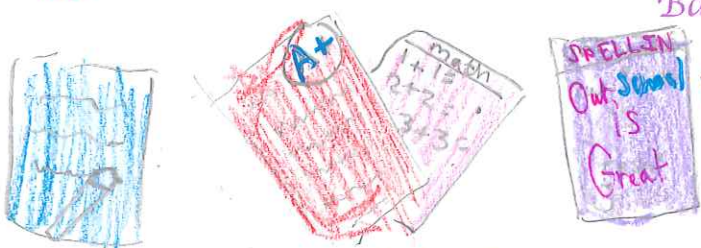

At play the sun is shining,
so me and my friends
are never whining.

Back at lessons,

still the fun goes on.

For all of our lessons are well done.

I walk in the hallway
unable to miss the beautiful
artworks done by Brecknock kids.

I go home
feeling great,

Walking with my fabulous mates.

As I arrive home

watching the news I think to myself,
another day well used.

What a lovely Day!
