10,000 electronic copies of the Docklands are sent out every week to subscribers – [click here to view](#)

The Docklands and The Peninsula reach an average audience of 35,427\* adults every week.

These titles are distributed via branded newspaper dispensers across the Docklands, Canary Wharf, Peninsula and Greenwich areas. As well as dispensers in busy shopping centres such as Canary Wharf and Surrey Quays, these titles are also distributed at over 300 small business units across the Docklands area.

In addition to this, newspapers are distributed free door to door to homes on the Isle of Dogs, Shad Thames and Wapping. These residential areas are predominantly home to people who work in the Docklands area.

This gives advertisers a wonderful opportunity to target this high-value market place with a high quality newspaper.
